## EXPERIENCE

### Volunteer Support Instructor
**Phitron**

📅 01/2024  Present    📍 Remote

Phitron is an EdTech startup focused on helping individuals excel in programming with an emphasis on problem-solving and core programming fundamentals.

- Supported batchmates at Phitron over 100 times, assisting in their programming journey.
- Motivated and mentored junior students, offering guidance and structured pathways for their future success.

### Content Administrator & Story Writer
**Inazuma Squad and College Magazine**

📅 2021  Present    📍 Brahmanbaria

🔗 https://www.facebook.com/inazuma.squad.brahmanbaria

Social media page dedicated to promoting and engaging with fans of Inazuma Squad.

- I write Inazuma Squad's achievements, scores, and description of wholesome moments in the page.
- I have written thriller stories for my school and college magazines.

## LANGUAGES
